IMPORTANT INFORMATION

🔥 I have reviewed the parent handbook available on the school website under the Members page.

🔥 For **Monday-Wednesday** classes, I understand that payments are due on a trimester basis by the 7th of the first month of each trimester, otherwise a \$15 late fee will be applied. (ex: Payments for Sept-Nov will be due by September 7th.)

🔥 For **Monday-Wednesday** classes, I understand my payment options: Check (made payable to “Paloma School of Irish Dance”), cash in an envelope with dancer’s name printed on the envelope, online payment via the monthly invoice, or pre-authorized monthly credit card payment.

🔥 For **Thursday classes**, I understand that there is a different system for payment and have read the website for details (look at ‘Fall 2024/2025 Schedule and Tuition’ page).

🔥 I understand that all pertinent information and updates will be communicated to parents via the weekly newsletter and that it is my responsibility to read the newsletter in order to be aware of all cancellations, show sign-ups, etc.

🔥 I understand that I need to turn in the completed registration form with the annual Family Registration Fee. Registration Forms and Fees are due annually every Fall or at any time during the year when Registration occurs for the first time and doesn’t coincide with the annual Fall Registration Time.
